City on Wheels- Website

A word press website is required for City on Wheels (www.cityonwheels.net) with layout similar to this one http://www.wolfscooter.com/ but without Clouds (on Sliders) for Selling and Renting

1) In-motion
2) Lead-way

Products/Models and also with b/m features

1. Shopping cart (instant updating cart, on top menu also)
2. Payment gateway integration (PayPal, western union, money gram, bank transfer, cash on Delivery)
3. Social media sharing and following for 10+ social media sites

4. Multiple language translation (see translation flags: http://www.hannoufmedia.us.com/ all are required)
5. Live chat (any visitor)
6. Testimonials
7. Renting products (manual rent a product where people can submit request for renting one or more products by choosing date from calendar, filling renting form and we will approve it manually)

You have to replace all Wolf or Wolf Scooter name with "City on Wheels" and also upload our Images and Videos.

*** NOTE: -

No upfront payment, 100% milestone will be released after 100% job done. The only guarantee for both of us is 100% milestone released after 100% of job completed not for 50%, 75% or 90% of job.

Start Your Application with "I agree with payment Terms".
